

# 5<sup>th</sup> Annual Brandi's Wish Foundation Weekend

October 23-25, 2015 – Sarasota, Florida

Brandi's Wish Foundation held their 5th annual "Brandi's Wish Weekend" event from Friday October 23 to Sunday October 25. Brandi's Wish Foundation is an important organization dedicated to educating teens, young adults and their families about the dangers of prescription drug addiction.

The weekend kicked off at Michael's on East for a "Country Chic" themed social event to celebrate scholarships granted to families in need of addiction treatment services and the organization's successful advocacy work. The evening included musical performances by renowned country music artists Jeffrey Steele and Jared Blake.

On Saturday and Sunday, The Resort at Long Boat Key Club hosted the organization's doubles tennis tournament. The doubles tournament boasted local tennis talent of all levels and included a Pro-Exhibition and Player's Party. The tournament included men's, women's, and mixed doubles. Trophies were awarded to all the winning teams.

Funds raised through this year's annual "Brandi's Wish Weekend" are targeted to sponsor more than 10 treatment scholarships, support "Clean Break 2016" (an initiative to support college students who are in recovery with a sober spring break experience), and develop prevention curriculum programs for Elementary, Middle School, and High School students.
