Tennis Apparel Sponsorship deals

Very often, sponsorship deals use tough criteria to award free or discounted products to some, while offering nothing to those who just fall short, or are trying their best and are hoping for a boost. At Loriet, we also believe that rewarding success is important; however, we also believe it is important to show our appreciation to those who embrace our products and choose to '*wear the Loriet Lion*' in their athletic journey!

As a result, Loriet Tennis and Sports has just launched its new sponsorship initiative geared towards players and coaches of all ages and levels. Loriet is seeking to reach both competitive junior and adult players, coaches, and brand

ambassadors, by offering 3 sponsorship levels ranging from 55% to 70%.

To learn more about the apparel sponsorships and to complete a short online application, please visit our newly redesigned website at Loriet.com and click on Team Loriet, or use the direct link www.Loriet.com/TeamLoriet.

In addition to the sponsorship deals, we enjoy promoting relevant athletic events (and not just tennis events) and we invite all to reach out to us and share theirs!

We truly appreciate all comments and feedback, which continue to help us shape our strategy for the future. Let us know what your thoughts are on efficient ways to promote our brand and products, while supporting all those who actively participate in tennis and athletic activities.
